collective lounge

Bauhaus meets the 21st century. Collective Lounge exhibits a purely modern presence with rectilinear forms floating above expressed aluminum legs. Symmetric and asymmetric styles balance contemporary simplicity with timeless design.

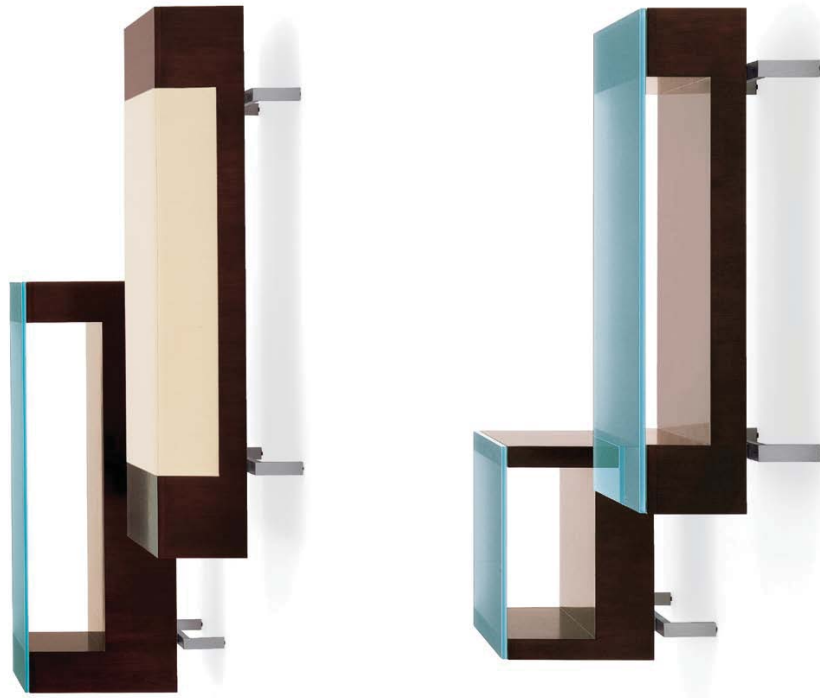

collective lounge

Cubist inspired details enhance the architectural elegance. Boba's style armrests complement the linear silhouette of Collective Lounge. Asymmetric two and three seat lounge include a stunning accent lamp which coordinates with Collective Office casegoods.

collective lounge

Collective Lounge's complete offering includes sophisticated benches and consoles to further define interior environments. Eminent glass tops on the occasional tables add to the refined mix of materials.
